Explain:

### Consumer Outreach

Describe consumer outreach efforts in the past 12 months: Ronan Telephone Company maintains a public website displaying

its entire selection of handsets and devices. Sales staff are trained to assist existing and prospective customers in identifying HAC-compliant handsets and devices. Handset packaging inserts or operational manuals also provide information.

For more information, customers are directed to [www.accesswireless.org/Disability-Categories/Hearing.aspx](http://www.accesswireless.org/Disability-Categories/Hearing.aspx) and other websites

dedicated to HAC education.

### Methodology for Functionality Levels

Ronan Telephone Company offers HAC-compliant handsets and devices in all major price categories including low cost (under \$100), medium cost (\$100-\$250), and high cost/function (over \$250). At least one HAC-compliant handset/device with features and services typical of its price category can be found that meets each customer's price range.

### Report Remarks

We are filing this report late do to an oversight on the filing deadline. We have experienced an administrative change in the department which oversees report filings in addition to the staff member, who previously filed this report, being on maternity leave. We apologize for this oversight and have taken steps to ensure this doesn't happen in the future.

You have reported the following handset model summary information.
